Memories of your special day will live on forever with your incredible wedding photos taken at Frida's Field.

AWARD-WINNING CATERING

Our Chef Alastair Waddell - two time winner of the coveted SMH Good Food Guide's Hat Award - has carefully curated a range of wedding catering packages to showcase our renowned contemporary country cuisine and the beautiful produce from our own farm and across the Northern Rivers region. We offer a range of dining options, including shared feasting, canapés, grazing tables, and cocktail receptions.

We are a fully licensed venue with an expert Sommelier who was recognised with An Australian Wine List of The Year Award. Our range of drinks packages as well as bar-tab and on-consumption options will ensure your guests enjoy a premium drinking experience in line with our exceptional food quality.

BRIDAL SUITE ACCOMMODATION

The Cottage at Frida's Field provides the perfect place to get ready for your big day and unwind afterwards. It's also a stunning backdrop for wedding photos.

Featured on the cover of Country Style Magazine, The Cottage is a recently renovated 1890s coach house, with cathedral ceiling, rough-hewn exposed beams, and polished floorboards. A magnificent two meter-square northeast-facing window fills the open-planned space with natural light and sweeping countryside views.

The Cottage predominantly suits couples as it is a single open plan space, however there is a Danish-designed couch which converts into a comfortable double bed and extra linen can be provided upon request. A maximum of 4 people can stay for a minimum of 2 nights. Accommodation is an optional add-on to your wedding.

For every wedding at Frida's Field we will plant a tree on our farm.
